LOCALIZATION OPERATIONS & GROWTH SPECIALIST

(+84) 93 7220 789 | Tan Phu, Ho Chi Minh | duongbvy1610@gmail.com | [linkedin.com/in/baovyduong/](https://www.linkedin.com/in/baovyduong/) | x.com/phoebevyvuong

Growth Marketer specializing in both paid acquisition and organic growth, with experience scaling developer, education, and B2B technology ecosystems through performance marketing, SEO, community-led growth, partnerships, and marketing automation.

PROFESSIONAL SKILLS

- **Growth & Strategy:** Cross-channel Campaigns, Event Marketing, Community Growth, Performance Optimization, Data Analytics & Reporting, Paid Acquisition, Referral Marketing, CRM & AI Marketing Tools
- **Soft Skills:** Stakeholder Communication, Strategic Thinking, Cross-functional Collaboration, Team Management
- **Languages:** Business English (TOEIC L&S **850/900**, TOEIC S&W **320/400**) | Vietnamese (Native)

WORK EXPERIENCE

Growth Marketing Lead & Technical Researcher, Fystack

August 2025 - Now

- Built Fystack's organic growth engine across SEO, GEO, blog, LinkedIn, and founder branding channels, publishing 48 research articles and technical guides on MPC wallets, stablecoin infrastructure, digital asset custody, RWA, and payment rails.
- Produced thought leadership content and viral LinkedIn posts that increased visibility for both Fystack and company leadership within the digital asset and fintech ecosystem.
- Created product marketing content, launch communications, technical sales collateral, and investor materials used across 20+ enterprise and institutional discussions.
- Designed and implemented marketing operations infrastructure using GTM, GA4, Looker Studio, and AI-powered workflows (Make.com) to support analytics, reporting, and content distribution.
- Translated complex blockchain architecture into accessible business narratives through technical diagrams, educational content, and customer-facing materials.

Marketing Executive (Campaign Lead) - VBI Academy

June 2024 – July 2025

Recognition: Employee of the Year 2024 – youngest and only Marketing team awardee, recognized within 6 months for outstanding campaign leadership.

- Acted as **Campaign Lead & POC**, managing **2–3 campaigns simultaneously** and maintaining a unified calendar across **local & global initiatives**.
- **Designed and optimized localized user acquisition funnels** (paid ads, referral, co-marketing, community activations), achieving **150–200% of KPIs** while tracked KPIs, **built reports, and applied data-driven iterations**
- **Crafted campaign narratives and directed cross-functional teams** (content, design, dev, mentors, CS) to ensure alignment, on-time deliverables, and consistent brand messaging.
- Delivered **campaign insights & recommendations** to **international partners**, reinforcing trust and supporting long-term ecosystem growth.
- Scaled **community & brand presence** across Discord, Zalo, Facebook, and offline events (AMAs, workshops, demo days, meetups).

EDUCATION

University of Social Sciences and Humanities – VNUHCM

2020 - 2023

B.A. in International Relations | (Major: Politics & International Economics)

CERTIFICATES

- Digital Performance (Tomorrow Marketer Academy 2023)
- Data Analysis for Decision Making (Tomorrow Marketer Academy 2021)
- Multi-channel Content Creation and Deployment (ATP Academy 2022)

KEY ACHIEVEMENTS

VBI Academy – **Employee of the Year 2024**

Key achievements as **Campaign Lead at VBI Academy**, leading initiatives across the ecosystem, Web3 HackFest, and OpenEdu.

Clients	Campaign Name	Time	Results & Impacts
	Algorand Bootcamp & Hackathon	Jun 2024 – Oct 2024	- Directed a localized 4-month campaign in Vietnam with 2,050 registrations and 987 active builders. - Achieved 178% KPI: delivered 41 Web3 MVPs built on Algorand (target 23), with 39 awarded 125M VND in bounties. - Generated 244K+ impressions and an 11.5% ER (vs. 6.6% benchmark) localized PR and community channels. - Organized Algorand Demo Day with 180+ participants, surpassing attendance targets. - Promoted 8 AMAs to drive developer engagement and sustain localized community growth. - Executed 70 email campaigns, 47 FB posts, and 10+ media partnerships on a 43M VND budget.
	Movement Hackathon	Sep 2024 - Oct 2024	- Organized a zero-budget localized marketing campaign, leveraging 10 media partners, 12 emails & 15 FB posts → reached 9,121 users organically with 18.6% ER (2.8x higher vs. Algorand benchmark: 8.68%). - Achieved 22 Web3 MVP submissions (147% KPI) from 90+ registrations, forming 40 active teams. - Demo Day attendance exceeded KPI by 140%: 120 check-ins vs. 50 target, with an additional 50 on waiting list.
	Cardano Bootcamp & Hackathon	Oct 2024 - Dec 2024	- Operated full campaign with a 2.1M VND (\$85) budget, combining FB ads (81%) + community booking (19%). - Despite the small budget, drove 576 Bootcamp builders (115% KPI), with 270 graduates & 217 certificates issued. Facebook Ads outperformed benchmark: 136K+ engagements at just 1,180 VND/result & 1,229 clicks. Organic efforts delivered 40,115 reach & 3,862 engagements across 44 posts. - Hackathon delivered 32 Web3 MVPs built on Cardano (160% KPI) from 272 registrations, with 90 on-site Demo Day check-ins.
	Sui Bootcamp, Sui Coding Challenge, Sui Meetup	Jan 2025 - Mar 2025	Sui Bootcamp - Led a \$250 marketing campaign (~6.4M VND) delivering 63.7K organic impressions, 6.4K engagements and 10.1% ER, <i>outperforming Cardano benchmarks</i>. - Drove 373 Bootcamp registrations (149% KPI) and 372 new Discord members (186% KPI). Sui Coding Challenge - Designed & executed 6 coding tasks in close collaboration with the training team and partners. - Achieved high learner engagement: 154 completions on Task 3 (103% KPI) and 145 on Task 6 (193% KPI). Sui Meetup - Coordinated 8 localized weekly meetups, sustaining 15–20 participants per session (vs. KPI of 10). - Created engaging formats with minigames & giveaways, ensuring consistent community turnout and retention.

KEY ACHIEVEMENTS

Client	Campaign Name	Time	Results & Impact
	Web3 & AI Ideathon (Web3 HackFest)	Dec 2024 - Mar 2025	- Led full-stack marketing strategy (branding, positioning, content, performance), achieving 3.5M+ organic reach nationwide. Activated 20+ Web3 communities, student clubs & dev hubs, driving 1,015 registrations and 452 project submissions across AI, DeFi, EduTech, GreenTech, and GovTech. Secured national press coverage (HTV, Báo Mới, Doanh Nhân Online, Giáo dục Online...), elevating the competition's visibility and credibility. - Promoted workshops & demo day, resulting in 200+ live audience at the Grand Finale and strong participant conversion. - Executed offline marketing campaigns: managed OOH billboards, organized student union booth with minigames & giveaways, and supported university tours to maximize awareness.
	Saga Bootcamp & Hackathon	Mar 2025 - June 2025	- Drove 680 registrations (136% KPI) and 183 completions (122% KPI) for Saga Bootcamp. Designed engagement programs: Saga XP Battle (122 participants), scholarships (83 new sign-ups), and mid-bounty (82 valid rewards). - Ran referral campaign (238 referrals, 21 valid) and final test (183 submissions, 93 qualified, 16 CVs submitted). Organized AMAs (70–100 sign-ups, 30–55 attendees); partnered with TopCV on AMA #4 for speaker acquisition and sponsorship management. Launched Web2 → Web3 Game Challenge achieving 31K reach, 3.3K engagements, 131 shares, with 17 project submissions.
	OpenEdu Unitour	Mar 2025 - July 2025	Planned & executed a student acquisition campaign to drive AI adoption, combining on-ground activation with online engagement. - Designed giveaway & referral mechanics (lucky draw, incentives), resulting in 800+ student sign-ups & AI usage and 1,000+ referrals at Hutech University. - Managed dual teams: on-site event crew & online ops team, ensuring smooth execution and collaboration.
